AT A GLANCE

*Central India's Based Engineering Company
Offering Machining Works, Fabrication Works,
White Metal (Re Babbitting Works) Supply of
Conveyor Rollers, Heavy Rollers & All Types
of Equipment for Core Sectors*

- 100 STRONG WORKFORCE
- MORE THAN 100 MACHINE TOOLS
- SINGLE FABRICATION UP TO 25 TONNES
- EQUIPMENT AND SPARES FOR CORE SECTORS
- BUILDING STRUCTURES & TECHNOLOGICAL STRUCTURES
- MANUFACTURING UNITS SPREAD OVER 25000 SQUARE FEET

We Serve

- STEEL
- CEMENT
- MATERIAL HANDLING
- INFRASTRUCTURE
- MINING
- THERMAL
- SPONGE IRON PLANT (DRI)

Oscillator For CCM

Universal Guide Holder Stand Top

Balling & Mixing Drum of Sinter Plants

Stacker Reclaimer Structure

Ladle Lifting Beam

Fabricated Case Blower

- Bench Grinder
- Angle Grinder
- G.Q. Grinder
- Welding Transformer
- Welding Rectifier ing upto 1500 mm thk.

- Mig Welding Set
- Gas Cutting Sets
- Hacksaw Machine Capacity : upto 200mm
- Pug Cutting Machine Capacity : Cutt

White Metal Bearings & spares for Every Major Industry.....Proven experience of 20 years!

We provide:

END USERS

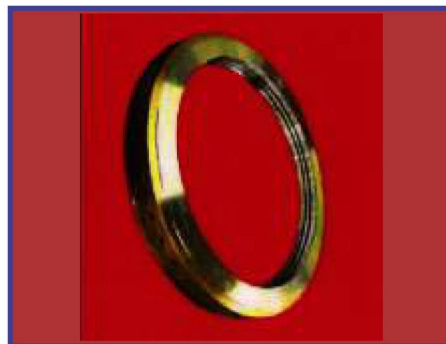

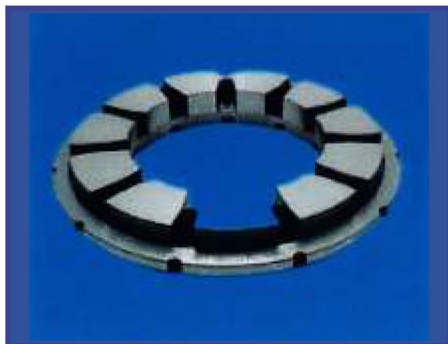

We Provide:

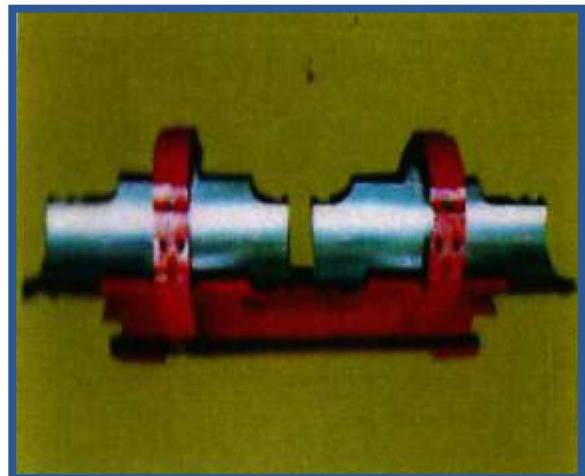

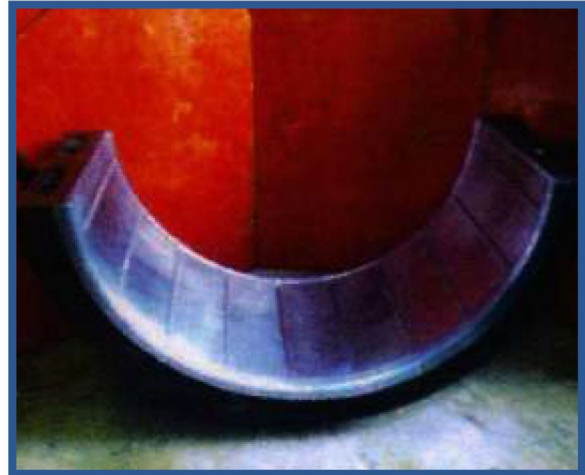

**white Metal Bearing,Bushes
Assemblies up to 2000mm
Reconditioning & Retrofitting of
old bearing units
Critical spares having large
Fabrication & precision machining
Technical services for white metal
bearings
Large machining Job work**

**O & M
SERVICE
PROVIDERS**

OEM'S

- We manufacture All Type of Bearing for the Thermal Power Plant
- Steam Turbine Journal Bearing
- Bearing for Generators
- Bearing for Turbine Gear Boxes.
- Bearing for Turbine Pumps.
- Journal bearing for Pedestals
- Thrust pads & Guide Pads.
- Bearing for ID/PA fans.
- Bearing for Hydrogen seals.

Our white metal bearing cover for applications like:

- Trunion Bearing Assemblies for ball Mills
- Movable Slide shoe Bearing
- Bearing for Crushing units
- Bearing for coke crusher
- Neck shoe Bearings
- Bearing for Pitman Assemblies
- Counter shaft Bearings
- Bearings for Raw mills

**White Metal Bearings Manufacturing
& Rebabbiting for all Size**

**White Metal Bearing & spares for Every major Industry.....
Proven experience of 20 years! We have a team of highly
skilled technical persons and enough capacity to meet
every Technical requirement of any type of job to entire
satisfaction of our valued customer.**

We specially looking our quality policy.

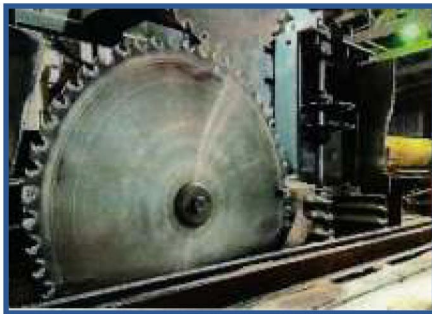

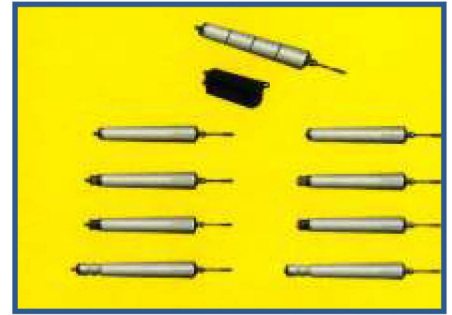

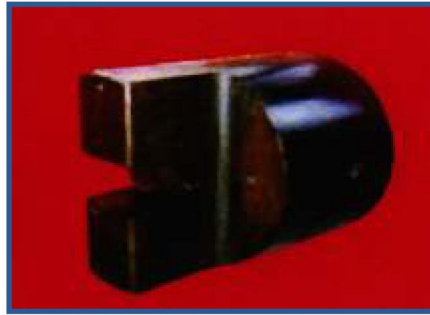

**In this regards we keen interest to associate with your kind
organization for the long run and Would like to request
your good self to issue the valued enquiry/order to prove of
workmanship**

Critical Spares for Hot & Cold Rolling Mills

We routinely manufacture critical spares for India's leading steel Manufacturer for applications like:

Work Roll chock Assemblies for HSM's, CRM's & Slabbing Mills.

- Taper Sleeves for Main Backup Roll chocks
- Taper Sleeves for work Roll Chocks
- Bearing Housing
- Vertical Edger shafts & shims
- Roll End Adapter
- Wobbler Couplings
- Mirror plates for Synchronous Motors

- Horizontal Boring Machine Capacity : Boring up to 1.2 Mtr Length up 2000 mm
- Milling Machine Capacity : Bed Length 2 Mtr, Width 0.75 Mtr
- Planner Machine Capacity : Bed Length 20 feet, width 1.5 Mtr.
- Lathe Machine (Roll Turning) Capacity : Roller upto Dia 700mm with length of 6 Mtrs.
Roller upto Dia 1250 mm with thk. of 500mm, Roller upto Dia 1000 mm with thk. of 1000mm
- Lathe Machine Capacity : Shaft/Roller upto dia 500mm length 4 Mtrs.
Wheel/Gear upto Dia 1000mm length 300mm
- Lathe Machine Capacity : Shaft/Roller upto Dia 500mm length 3 Mtrs.
Wheel/Gear upto Dia 1000mm length 300
- Lathe Machine Capacity : Wheel upto Dia 1000mm Shaft up to 2 Mtr.
- Lathe Machine Capacity : Axle/Bolts upto Dia 200mm length 1.5 Mtrs.
- Lathe Machine Capacity : Wheel upto Dia 1850mm Shaft Length up to 10 Mtr.
- Lathe Machine Capacity : Coupling up to Dia 550 mm
- Shaper Machine Capacity : Key cutting upto Dia 1.5 Mtrs. Wheel/Gears Shapping upto width 750mm Height of 600mm Length 500 mm
- Drill Machine Capacity : Drill upto Dia 1"
- Radial Drill Machine Capacity : Drill upto 60mm and length of 500mm Boring Capacity upto 100mm
